

Good Morning John,

We are so excited to have your club stay with us! Please let your group know that they have until 8/7/2022 to book. They have several ways that they can book. They can call the hotel directly and reference your clubs name Dakota region of the Porsche or they can use the custom booking link below. Please do not direct people to me to make reservations, this will slow down the process and it is not necessary that they speak to me to make the reservation.

The discounted rate for your group is \$99 for a king room and \$109 for a 2-queen room. Parking is not included in this rate and is \$15 a day but it is covered and climate controlled and you can come an go as you please without incurring additional charges.

Please let me know if you need anything further.
